# Anecdotal Observation Record

Date and Time: 2/29/14 10:30 am

Observer: Ms. Camp

**Sample**

**Observation:**

*Tessa and Brandon were building towers with Paper Bag Blocks. Brandon knocked their tower down each time it reached three bags high. Tessa asked Brandon to stop knocking the tower down. When Brandon didn't comply, Tessa left him on his own with the Paper Bag Blocks and began building her own tower with blocks. When clean-up time was called, Tessa put away her blocks and then began helping Brandon put away the Paper Bag Blocks.*
